OCP Public Engagement and Framework Presentations

Group discussed:

- Increasing visual content
- Framing of options, clearly laying out problem, solution, and implications
- Providing two distinct land use options
- Putting growth into perspective
- Highlighting implications for regional sustainability
- Key points to address
- Identifying where the changes are and where it came from
- Emphasizing that framework is a response to what we heard from the public

Bike Rack (issues to dealt with at another time)

The foregoing is considered to be a true and accurate record of all items discussed. If any discrepancies or inconsistencies are noted, please contact the chair immediately
