Check in

Neighbourhood Planning

Discussion around neighbourhood planning workshop was carried forward from the previous CAC meeting.

Group discussed:

- Addressing other local area planning models
- Order of discussion
- Context material in package – focus on choices to be made going forward and emphasize that this is new stuff
- Outcomes – single point vs. narrowed set of options
- Use of local area vs. neighbourhood
- Framing question “what will work” based on your expertise
- Having a reality check up front to enable people to have proper information for the workshop

Bike Rack (issues to dealt with at another time)

The foregoing is considered to be a true and accurate record of all items discussed. If any discrepancies or inconsistencies are noted, please contact the chair immediately
